

## SECURITY QUALITY POLICY

Avant Risk Management Ltd is committed to meeting, and surpassing, its clients' requirements, expectations and aims to offer each client the peace of mind they deserve.

By providing the most proficient Security Services throughout the United Kingdom. Recognising the importance of making sure our clients feel safe and secure in their business premises.

Avant Risk will tailor its services to the needs and requirements of their business following a comprehensive risk assessment, and site survey.

Committed to establishing and assessing each of the Quality Objectives of the Company, we can also guarantee that they will be communicated to all members of staff.

This Policy will be fulfilled through the implementation of the Quality Management Systems required by BS EN ISO 9001 and latest versions of relevant Standards BS 7858, BS 7499 and BS 7984.
